

OSBORNE et al.
Appl. No. 10/567,453
Atty. Ref.: 620-412
Amendment
October 2, 2009

AMENDMENTS TO THE SPECIFICATION:

Please amend the specification as follows:

Please replace the paragraph spanning lines 19-21 of page 9 and insert the following replacement paragraph therefor:

Figure 4: figure 4[[a]] illustrates the growth of a myeloma cell line in a rich serum-free, transferring-free medium in varying concentrations of ferric ammonium citrate under agitated suspension culture conditions.
